Friedman goes to Hell and he's met by the devil.

The devil says, "The punishments are changed every thousand years. You have three choices."

They open the door to the first room and there's a young guy strapped to a pole, being whipped. They open the door to the second room and there's a middle-aged guy being tortured with fire. They open the door to the third room there's an old guy chained to the wall getting a blow job from a pretty blonde.

Friedman says, "I'll take the third room."

The devil taps the blonde on the shoulder and says, "Okay, you can stop. This guy's replacing you."

A guy gets in a big barroom brawl and his jaw gets smashed up so badly that they have to wire it shut, so for a few weeks he has to be fed through his butt.

So the nurse gets a tube, sticks it up his ass, puts a funnel in the tube and pours in the coffee.

The guy starts jumping around, going "Unh! Unh!"

She says, "Is it too hot?"

He mumbles, "No! It's too sweet!"

An interviewer from Better Homes & Gardens goes to a prison for the criminally insane to interview Horace Schmeeley, an inmate who's reported to be an amazing landscaper and gardener. As Horace shows her around the grounds, she's flabbergasted. Everything is immaculate. The flowers are beautiful, the grass is perfectly manicured, the trees are expertly pruned, and he's delivering a running commentary on every shrub and bush.

She can't believe it. This guy's in prison, and he's probably the most talented groundsman she's ever met, with an inexhaustable knowledge of every aspect of his field.

At the end of the tour, she says, "Horace, I'm totally impressed with your work. Not only am I going to give you a huge write-up in this month's issue, but I'm going to petition my congressman to get you released, so you can get a job on the outside. Your considerable talents shouldn't go to waste."

She turns and walks away, and when she's gone about twenty feet, a big brick comes flying and smashes! into the back of her head.

Horace yells, "You won't forget about me, will you?"

A guy goes up to a girl in a bar and says, "Hello. I think I'd like to get to know you better. I'm thirty-eight years old, I've been a Congressman for ten years and I'm honest."

The girl says, "Really? Well, hello. I'm thirty years old. I've been a hooker for fifteen years and I'm a virgin."

Sheila's forty years old and Jewish and her mother's freaking out that Sheila's not married, so she sends Sheila on a cruise around the world. Three months later, Sheila walks in the front door followed by a huge black man. He's naked except for a grass skirt and a shark tooth necklace, and he's got a bone through his nose.

Sheila's mother says, "Oy, Sheila ... I told you to bring home a rich doctor, not a witch doctor."
