For the more scenic photos I used the Sony A6000 (hopefully I'll be upgrading to the Sony A7R II in the next year), for the point and shoot photos I used the Samsung Galaxy Camera 2.

Keep in mind, what I posted is 1/10th the resolution, the originals are even better.

Jeff,

Although the site is still under construction, here are the links to the pictures we took on our recent trip to the Grand Canyon, Hoover Dam and Las Vegas (these are just scenic pictures, the pictures with my wife and I have not been posted yet). I would love to hear your opinion on what you see (especially the website specifically).

Thanks.

Gerry
