Subject: update

Hi Tyler,

I'm sending out a press release tomorrow night. I wanted to wait until the Prince Andrew stuff was a few days old.

I've updated the following sites with unique content:

www.jeffreyepstein.org
www.jeffreyepsteinusvi.com
www.jeffreyepsteinscience.com

- * Will finish the others tomorrow.
- * Will have the AI site ready shortly.
- * We need more feature articles. Please call me tomorrow to share what topics you've discussed. I'm working on another one and will send to you asap.

<=ul>

Thank you,
