Leon hi. Ghislaine here. Was sitting w/Dorrit who told me I should e mail you immediately! She says you are looking for a new board member and she says she mentioned to you that is what my company is focussed on. I set up a consultancy company over a year ago and one of the first jobs I was asked to help with was to find 2 new board members for a publicly NASDAQ and S&P listed company. In turn they recommended me to another company and so on. I couldn't have created a more perfect job for myself - it is a win win for me. I get to place some of my brilliant and talented friends on great boards and boards have access to people that they might otherwise not have a chance to work with and everyone is happy. If you think I can help you I'd be thrilled. I have a whole board package that I can send you that I give to Companies I work with Hope to see you soon either way Warmly Ghislaine
