Happy Thursday =esley,

If Carlos =elivers on Tuesday, 3/3 the equipment can make the sail on Friday, 3/6 = "US Customs willing".

Sails on Friday, 3/6, arrives on St. Thomas on Tuesday, 3/10 = I will already have the Bill of Lading and the invoice - if Anna is =available, she will clear it, if not our Customs brokers are the back =p.

The =argo should be available to pick up on Wednesday, 3/11 - what delays a =ext day pick up is if the vessel arrives late on Tuesday, or if Customs =as a question - we are not anticipating either events occurring. =W
