Salam cousin brother -

The meeting with our friend was very fruitful- he obviously has a broad perception of the yemen and the regional conflict-the man who presented to you with the Holy black Qabaa Dress holds all the strings in his hands certainly with WASHINGTON. We presented our common friend a proposal for a dignified safe facing Exit for both the prince and president Hadi -(the creator of this crisis) I assured him that we will deliver what we promise-and what will be agreed upon - Cousin brother it will be good if another meeting is arranged if possible with the inner circle in Washington with our friend , myself and one or two others from my side in Paris .shalom
