It is the only cigarette factory in Ethiopia with a population of 85 million people - It was incorporated in 1946 as the imperial tobacco factory with full monopoly to import, manufacture, market and also grow tobacco leaves - The company was transformed into a joint venture company in 1998, and a ten year monopoly was given - the company now is called national tobacco enterprise Ethiopia - as a joint venture between govt. And sheba investment company (belongs to my group) In 1998 we bought 22.15 percent and two months ago increased it by another 38 Percent. Now we are 60 percent And govt. 40 percent and monopoly was renewed - We now producing five billion sticks of cigarettes and intend go to ten billion within two years time -we have been allocated a new plot double the size of our present site 42 hectares) to move the production gradually We also market all international trade marks like Marlborough, Rothmans. Etc As a monopoly tobacco factory - Our shares value at par is 100 million USD paid - Market value of our shares 200 million. USD
