greg is not an honest person

i have stumbled onto lots of inaccuracies and it is him feeding the press - [REDACTED] [REDACTED] the WSJ guy who writes the articles

would consider working for elon, not greg

also do you know and like ginny romitty / IBM? what fun to be something like CIO at IBM

and i love the CEO of avon. she's super smart. they should make bras. it would save the company. she's a materials science engineer.
