Resourceful =n what ? I've worked this whole year long. I worked hard doing things I didn't like and even by doing it can't pay all my expenses alone and you are still not talking to me. If I get zero satisfaction out of it (financially and emotionally) why should I do it ?? Which gratification do I get ?

My dream would have been to [REDACTED]
[REDACTED] since it's my passion and it's what makes me happy. I also would have loved to try [REDACTED] during the summer or in my free time. I don't know why I've always been denied to it.
