Subject: BOEING

I have been working my ass around the clock with Malaysia the past 4 nights and mornings straight.

=div class="gmail_default" style="font-family:verdana,sans-serif">
</div>

I will fill you on the rabbits that I pulled from the hat when we talk.

Bott=nm line, when I bring you 3.0 with the full amount already in escrow, you be=ter make sure I do not have to go back to the well, because I have finessed=my ass off on this one, and it may blow it.

I am off to church to light a=candle, lol
