I spoke this afternoon with Mr. Earl T=omas, of VIYA, he will free up some of his crew to address LSJ/GSJ an= STC internet service on Tuesday the 26th. He states "he is not making any p=omises due to the additional damages that hurricane Maria has caused, =but he will do his best to restore service. I am also looking into Surge &n=sp;and Broadband VI (other internet service providers), in case VIYA can no= restore service in a expedient fashion considering that they have to resto=e all services on all three islands.

On Monday the 25th I am schedul=d to go to the hanger with some of lsj crew to repair the right side rollin= door to the tarmac. It is not rolling back to allow the heli to pass. The g=od news is that there wasn't any additional damages to the hanger.

I am currently working on sending you the pictures=of the storm that I downloaded from Carlos's phone.
