FYI

Ford Ranger has been found

it had been towed from AYH by =imo Towing Service It is my understanding that it had parked on =he access ramp and was towed because the rubbish truck could not access bi= @ 4.30pm in most circumstances AYH Security would call us, we received no messa=e that morning or later in the day.

The vehicle does have a IGY =arking permit.

I have spoken to IGY Security voicing my concerns= When approached on Saturday about the disappearance of the ranger they=had know idea what had happened, yet it was security who called the towing=company so i filed a police report Victor Potter wh= is the new head of Security is looking into this matter and will get back=to me today. I have request refurbishment in some form for towing charges.=/div>
