Brice,.  
regarding the Lull 10,000 lbs fork lift loader,.  
The one you located with 700 hours for \$69,000.00 appears to be a good=20 price,.not sure how much usage the unit will see, Brice, if you could fwd m= photos of the 700 hour unit, would be helpful,

I located two others Lull's for comparison in decent condition, y=ar built 2006 w/ 2504 hours and year built 2005 w/3645 hours,.  
priced \$57,000.00 (2504 hour unit) and \$47,000.00 (3645 hour unit),.  
photos of each attached: orange unit 2504 hours / yellow unit 364= hours

thx,  
Larry
