Its not as much as the school as the qualification you achieve by doing this course. The exams are given with this CIM accredited worldwide institution: <http://www.cim.co.uk/home.aspx> .

i don't consider it necessarily only money operation as most of the companies here pay for their employees to have this qualification... My previous employer was willing to pay it for me if I would have stayed with them for over 1 year...but you know the rest of the story...

u never trust me :(

This is not a completely true argument... 3 years ago I was still in University, and it was a good one, best in Romania... I decided to do this course because the people I worked to, and that I admire as highly skilled Brand Managers have finished this course on top of their University. Indeed this Uni is a private one, but the teachers

are from Cambridge school and are very good ones. This is my plan for the future...I want to become a successful Brand Manager or marketeer...

I need your support in this...even is only moral...  
Thank you.

I would like to help.. This school is not a real school// Three years ago I did say that i would put you through a real school, you said no. you wanted to model and live with your boyfriend. Two years ago I tried to get you to go to school and stop trying to model I introduced you to Lyndon. I still would like to help , but these fake academys that offer certificates in marketing , are only set up to take advantage of people. You need a real plan with a future

Hi Jeff,

Please don't take it the wrong way.

You always pushed me to study and have a strong professional career. And all the time told me that your help out with that by subsidizing the certain course. Is that offer still available? Would you be able to help in this situation?

I thought I'll be able to make it on my own, but usually this kind of expenses are covered by the company I'd work for...there is no student that pays on its own... (also because it's a postgraduate). And since I'm in search for a job still, I'm struggling with paying it. I don't want to give it up....I already paid the first month fee, and on top of the below scheduled fees I'll have to pay an extra 400 for registration on the CIM website + exams fees. You are my solution... if not, I'll probably loan money till I find a new job...

Feel free to say no, but I'm counting on your help...

Many thanks,
