Gyro installed, should be in air by 3:30pm our time, ETA St Thomas is 7:15pm.,

Mick their pilot called STTcustoms and got Overtime approved to receive them, he explained they are coming from Canada for a pickup, he didn't mention names, my guess, Customs will approve Overtime for Commercial / 13 flights,, I'd imagine customs thinks the GV is a charter flight.

Should we set up for departure at 8:30pm?

Thx<div>
