It is in the works. I will call Greg Shapiro, the producer today. Why does she want to meet him...we just can't walk onto his set while he is working without him knowing we are coming. If she wants to talk to him, it has to be set up properly. Most actors hide in their trailers in between takes. Peg

I am having lunch today with Darin....the guy who told me in LA he could start his own company, has financing and can take my employees. He has decided to stay. I am calmly going to find out what his ideal plans are for the next year or two or three. I am going back to Allan Grubman's lawyers. Getting the accountant. Want to change the billing back to Peggy Siegal Company after accountants go into the books. Plz do NOT yell at me. Darin was in Sundance...on my money...signing up films. I am going into every studio in two weeks when in LA for the Oscars and having my own meetings with pr dept heads. Peg

Spoke to Mattie today. We are organizing the set visit. We have to go on a good day when they are shooting something interesting. I am on it. Checking 17-21. Watching football. More to come. P
