I told our staff not to worry about the office anymore. I'll ask Cecile to hire a crew from St. Thomas to deal with the office.

Cecile said that we had to get it done while Jeanne was on vacation and that she had already spoken to you about it.

Gym Roof: The carpenters will start on the Gym roof tomorrow morning. The carpenters were over at STC last week building cabinets, cutting out dry wall and inspecting for mold.

Master Floor: Pokey had to replace the ply wood underneath the old floor boards as well because of too much moisture.

Roads: Crusher Run needed to continue project. I'll speak with Leighton, Danny & Jeffers tomorrow morning.

Waterfall: Peter will begin the waterfall-layers from top to bottom. I will send pictures as soon as he begins. <=div>

Palms: Chris is planting Palms tomorrow and Hydroseeding will begin on Thursday.

Barge: Last update for Barge completion was August 10th but that has changed due to new plans needed under the hull. I'll call Gene tomorrow for a new update. </=div>

I will send pictures tomorrow evening of everything.
