What Captains say about Latitude 365

"Latitude 365 strengths are simplicity, speed, accountability and transparency. We are able to follow the budget effortlessly on-board and not have to use unreliable spreadsheets or complicated accounting software. I think that some of the most important features which most people will be very attracted to is the fact that you give instant support and the fact that it is also custom tailored to individual needs."<=span>

Latitude 365 is used by more than 150 superyachts worldwide ranging from 20 to 150+ meters.
