I did not know I won't like it I said if you " might not &quo=; like it . Jeffrey yes it was my fault I should have asked you . It =as a chaos in my head that day as I was rushing to finish and su=mit my paper before due time. I heard we were more l=kely not coming I thought you and [REDACTED] just wanted to go toget=er in peace . Also Jeffrey I did not know you needed me you neve= mentioned you needed my help I thought you asked me♦=A0just to be nice as usual when I asked you what your plans were. You=said to [REDACTED]: [REDACTED] is ALSO coming w you an [REDACTED] it=C2♦sounded like you already arranged the trip and just added me . Jeffre= if you say that you need my help I would not even call and ask = [REDACTED] if it ok if I do not come I would never ever do that ?! I am sorry l=screw up your weekend ☺
