I want to s=y you one thing. We were talking about sex. I know that i would happy to t=y this. I would agree to try many things of sex. But i want to be sure you=will not leave me after this and help . It is the only thing i care about.= It is very important for me as i am virgin. I know that i always get conf=sed on skype and maybe i seem a bit slow motion when i am talking. It's no= good.. But i'm trying to change
