LSJ Change Order tile (#11).doc; ATT10481488.htm

RE: your 11/13 =mail

After this proposal Brice has been =n contact with bart as to the materials we need to supply and =cheduling

I believe there was some concern =ether to use the unglased tile

I saw your email 11/6 =nbsp;to postpone til after Dec.

If you go forward we should execute our contract and attach the proposal =o it.

Brice , I would review with bart on the exact specifications of =he materials and sources and timing for delivery and =nstallation

Gary,

=

Attached you will find the material list and change order number 11. We have a =alance on the flag pool of \$34,742.19. Hard cost for us to replaster the =ool is approximately \$14,000.00 - \$15,000.00. All the labor to redo the =laster is given. All of the guys were paid their daily wage so they will re-trowel for nothing. We have to pay for the new Diamond Brite =nly. We will also have to chip out the existing Diamond Brite. =nbsp;There is no profit or overhead with this cost as it is a hard cost. This is =hat it will cost me to come in and replaster the pool. I would like to =ee at least \$ 20,000.00 of my balance wired over to me please. Let me =now if you have any further questions.

Thank =ou,

Bart Wolterman
