Hi =here, wherever you are:) I found Doug Montgomery's email for =he vocal session. He would definitely come to the ranch for you =m sure. If you want me to write him too, let me know. =nbsp;Or, just say I recommended him (he can record too!!) [REDACTED]

=nbsp;Miasha has confirmed a show in Montauk on August 23 at Surf Lodge. =nbsp;(you might like it...swarming with hampton babes)...why not fly =ut and see it? Would be fun! Btw, even though our opera =orkshop premiere was a huge success, FC and I are no longer together. =nbsp;I am only a professional with him and greatly relieved and I =ever,ever want to step foot in Israel again..You were =ight. So, please keep your ears and eyes open for a "mature" =an, who would "get" me...though I know there are not many my age =ho are not chasing young ones...but, I am fun, and funny, and I've =ever been in better shape. It would be nice to grow old =racefully, not surrounded by starving artists hahahaha if you know what = mean. Will you keep your old friend in mind? This summer =n the Hamptons: xo
