Hi Leon,

You asked for my recommendation of some managers to whom Simon could speak. Here are some who might be of interest to him. It is really hard to get good representation these days--unlike the old days when managers nurtured talent, now they are only interested in stealing established stars from one another. This list include mostly veterans in NY and Europe who might be willing to talk with Simon and point him in a helpful direction. The last two are younger managers who may be hungrier than the older curmudgeons.
