American idol -- I ask myself -don't they have a mirror?a camera? How is it possible that they actually believe they are doing well ? Even when the audience laughs -the judges say that was terrible _ no where close -a 1 on a scale of 10 . They stick to their belief in their performance . There is a chef teaching in my kitchen - I've asked you to learn . You choose to ignore the opportunity and take pictures.

[REDACTED] could have learned with you which was more helpful to me?

Ask any one of the judges, get a camera , you chose to ignore my request and on top of it tell me that it wasn't usefull to [REDACTED] and [REDACTED]. They strongly disagree . All the facts are clear . Go through a list of how you spend your money and or your time. Then tell me how you are being helpful to me or merely indulging yourself Sent from my iPhone <?xml
