Dear Joscha,

I'd enjoy getting together. =C2 How long are you around for? I have a very busy teaching sche=ule for the next couple of weeks but if you are leaving let'= find time. Else let's get together mid May.

Jeffrey, thanks for putting us in touch. I= will be fun. I have lots of good stuff to report to you too.

Hi Seth,

Jeffrey and me happened to stumble into a discussion of strong computatona=ism yesterday. I very much enjoyed your 'programming the universe'=book. (Perhaps it would make sense to kick off computational philosophy as=a sub-set of analytic philosophy, btw., and Floridi may not be doing the b=st possible job here.)

If you are up for coffee some time, I would be honored!

Bests

Joscha
