A Life in Many Dimensions

edited by Michael Frame (Yale University,=USA)

hardcover:

US\$128 / £84 / S\$161

US\$96 / £63 / S\$120.75 <=p>

This is a =ollection of articles, many written by people who worked with Mandelbrot, =emorializing the remarkable breadth and depth of his work in science and t=e arts. Contributors include mathematicians, physicists, biologists, economists, and engineers, as expected; and also a=tists, musicians, teachers, an historian, an architect, a filmmaker, and a=comic. Some articles are quite technical, others entirely descriptive. All=include stories about Benoit. » more <http://www.worldscientific.com/worldscibooks/10.1142/8238>
