A message from Caitlin Merrell [REDACTED]

Dear Jeffrey,

Thank you for your generous donation to my team Young NYC. This years Take Steps walk for Crohn's and Colitis was a huge success and raised over \$340,000. Our team was the third highest fundraising team, thanks to you! The Crohn's and Colitis foundation is an organization that is extremely important to me, because they were integral in developing the medication that keeps me healthy today. Yesterday, while walking across the Brooklyn Bridge for the Take Steps walk I was thinking about the generosity of everyone who contributed to my team and felt honored to have your support.

Warmly,

Caitlin Merrell
