Wales beautiful!

Joydeep is trying for a Spanish University in Tenerife =ho's Dean he know.

Eric Virres =The retinal photon man) has a contact in Seattle or San Diego and knows = private lab.

Is Sheepdrove trust no =ood, it does education?

<http://www.sheepdrove.com/></=:p>

We have a session for the Shanghai =onference, early June will you come??

Going to Monico this week.
