Thank you.. I'll be working the day of my birthd=y since they couldn't move the shoot and will spend all August in Pari=. No vacations, no boys, no sun, no fun. My babysitting job is starting ba=k in September.. Even for photo assistant I will always remain at the same=basic level since I've never went to a photo school to learn and peopl= don't have time to teach. I would like to spend my time learning some=hing new. I might have found a job in a juice bar in August... I wish I co=Id have a real career somewhere but with no skills and no studies it's=impossible, that's why I feel that getting my butt in shape is my only=way out.
