Even though it is very generous for you to allow me on the plane with only the above, i am more than willing to take my medicine and work all day tues and wed with full crew to get done everything that I can get done. I must return to new york no later than fri morning so i can unwind the issues caused by this unexpected extended stay.

My apologies for not living up to your expectations, I am doing the best I can to improve my results on tasks that you have clearly defined as priorities.
