**Subject:** worth reading through this

A look at the pseudo-controversy of statins: <http://www.healthnewsreview.org/2016/06/negative-news-coverage-statins-lead-thousands-deaths/> <<http://www.healthnewsreview.org/2016/06/negative-news-coverage-statins-lead-thousands-deaths/>>

I realize that reading this means you'll need to take a few min away from reading about people getting hit by cars in NYC, but it will be a nice break!
