-gary looks close at the hobbit

-I have all my stuff ready at the bedroom ( in a basic way ) -have mark started on the speaker wires -so next is fiber at the master - switch - airport - sonos - speakers ( prob only 2, possible sub but want to hear the sonos push at least 2 b and ws today ) -hdmi is still an issue ..... looking for a solution now ( other than just putting devices near the tv which in a pinch we could do in like 10-15 min if really had to watch a blu ray something .... but hiding everything in the closest perfect is days away prob more )

- running back to gary to make sure hobbit is online and he mark and i understand we have to do this
