**Subject:** Bougainvilleas

attached is bougainvilleas.com pricing (list says it is old 2012) however pricing for 45 gallon is as follows:

super stump 500.00 per tree  
estimated transportation (inland & water) at 6,000.00 which adds another =00.00 per tree for total cost of 1,000.00 per tree landed it appears that only 10-12 trees can fit in 1 container

still waiting on local stt pricing from daphne

<http://bougainvilleas.us/wp-content/uploads/2013/01/Price-List-2012.pdf>

should i pursue to purchase on our own, negotiate with ken or do =othing?  
please advise
