Oh, nice to hear from you. I'm doing great! I=have you to thank for it. You and Boris have done an exceptional thing for=me: created an opportunity for me to grow and have control over my life. I=no longer have unbearable amount of stress and fear.

The attorney that Boris has recommended did a profess=onal job. After couple years of working with her, my case was approved and=last year I got my green card. The dozen's of attorneys that I♦=80♦ve visited said my case have no chance. Alas, my husband(who played c=ucial part) and I have recently separated because we see our present and f=ture differently. In 3,5 years I would be eligible to apply for citizenshi=.

Because of your financial support and sponsoring my education at Hackreacto= , I acquired practical skills: After I got my work permit, I was able to =ecure a job as software engineer. However, I left that startup few month a=o to look for a better cultural fit. I live in Palo Alto. I'm curr=ntly preparing for technical interviews and will be applying to tech compa=ies in a bay area soon. <=span>

There are other two exciting things that I'm =orking on:

1. I'm a member of [REDACTED]

[REDACTED] business idea. I currently =n process of validating it. I think I can work during the day as a softwar= engineer and take care of the "business" after work. It=E2♦♦s a stepping stone in my entrepreneurial carrier. It doesn♦=99t require startup capital or skilled team members. But it requires some =eg work. The idea is not new and already exists on a market but I will fig=re out how to be different, better and take over niche that is still for g=abs. The idea is simple: massage therapists on demand with a focus on tech=companies with 50-500 employees. I've spoken with some office mana=ers/HR people who are responsible for employees "happiness♦=9D, they seems to be kin on the idea of offering massage to their employee=. I'm in a process of creating web and mobile application to look =redible and collect useful feedback. I have one committed male masseuse an= I'm looking into how to lure female one.

Unfortunately, I stopped traveling for bridge tournam=nts(or any traveling for that matter) because my budget doesn't allow it. I still ha=e passion for the game and once I save enough, I'll resume my part=cipation.

That is my life in a nutshell. I hope you and Boris a=e well and prosper :)

Thank you for reading,
