Palm Beach , no power yet , no =ne at all allowed on the island yet, due to power lines =own. it will be a mess for a long time. hopefully =ostly landscaping.

Unfortunately this leaves me no place to get peace and =uiet except 71 st and the Ranch. . so starting =hurs. 71 street will need to be under new =ules. I do not want any construction repairs =one while I am there. We need to make the second floor =eaceful and the house quiet. the little secret room will be =or meetings. I expect fewer =eliveries no noise and I want the staff to know except for time =et aside if nec I prefer little =onversation. . package room and =hings will wait to be sorted on weekends unless urgent. . =br class="">

Dinners can no longer have the gang in the =itchen. we all need to understand PEACE AND =UIET. .

I will have to =ake signifigant changes to many things. The business in the =sland will be dramatically different , if it survives. finding =eople to rebuild is very difficult as florida st barts and much of the =aribbean will all be looking for the same people and =aterial.

Thanks for your =nderstanding. -- this is a major pain. but no =hoice.
