Hi Jeffrey,

Hope this note finds you well! I just spent some time with Mort,=and he said you were great, but I haven't spoken with you in so long thought I'= drop a note and say hello. Mort and I reconnected with what started a= a dinner date, then a weekend, then a week on the yacht on the Amalfi Coast -=11 days later I got home. It was SO much fun!!!! and funny too!!!

Have a bunch of friends and cousins that are hitting the 15 - 20 age=20 group. Wish you could start a school to "give them a clue" - these gi=ls really need your training! I almost called you when my cousin was her= from Holland (but we were only in NYC for two days), she really needs help. Guess not practical though... However, in the next=20 couple of years, I'd like to get Samantha Davis to Dubai or Abu Dhabi for a=20 semester abroad (she just started FSU, International Relations) and we'll n=ed some guidance for her.

I'm still in DC - the job I wanted with the Consumer Financial Protect=on Bureau was eliminated (Financial Education) and the whole bureau is a polit=cal hot-potato. If Romney gets elected I have a shot at the Director posi=on as I would make the focus on education, but no hope with the Dems. Am=20 raising money for Romney, so if you (or someone you know) donate,if possible please attach my name too. Would love to be on his cons=mer finance advisory board, especially focus on women's issues.

Let me know if you get to DC - I'd LOVE to see you!!! Miss you s= much!!!!

Love and Happiness, [REDACTED]
