Should I become an escort girl ??! Because I've noticed that they have a far better life than I do and earn much= much more. Is this what you wish for me ? You took me and then dropped me=from a skyscraper. Two years ago I didn't understand nothing about life= and you knew it. What I understood from this whole story is that you change girls like you change shoes, use them and throw them away and I was no exception.
At least now I've learned =hat love does not exist

You've always told me that I should learn from my mistakes so now I'm doing a job that pays telling you that it leads to no personal growth and I'm asking you what should I do next in order to grow and your answer is that it's too late and then you ask me to find you escort girls. How am I supposed to learn???? What's so late about being in my early 20's and wanting to learn ??
