Subject: Sultan wired the money for the 23 and Me Kits (?)

Bella informs me we received the wire for \$6200 just =esterday for the 23 and Me kits from Sultan. He knew the kits =ere invalidated and could not be used...we received the credit =rom 23 and Me for the purchase already. Before we send the wire =ack to Sultan I want to make sure this is what we should do (not sure =f for some reason he was to still proceed and send the funds?)

Please =dvise if Bella should wire him back the \$6200. =nbsp;thanks =
