Hi Jeffrey

how are you? Are you safe and not in Caribbeans ?

I am in mexico city and we just had an earthquake, uh.

May I send you my CV in case you dont mind to connect me to your friends=in Bay area ? All day I am in job search mode, difficult times.

There are two model girls, one from Masha, another from Monaco who are c=nsidering to send their CVs and photos to you. More likely you have new ca=didates soon.

Kind regards/Cordialement,
