You are oh so right! I think Duluth MN is actually more beautiful. The botto= pics were from a tour to the Cliffs of Moher. The land was nice, but the w=ather was terrible once you got near the coast. And the cliffs were no more=beautiful than the drive down Rt. 1... I'll be on a flight back tonight. Ar= you back in NY yet? : ) Oh, and the food! Not too interesting. I did howev=r discover black and white pudding. Mmm.
