Good afternoon Richard,

These enclosed are the renderings for a custom full size windshield (with wipers) that can be installed on-demand for the Black Shiver 140. It can be installed on either the demo 140 available for immediate delivery as well as another 140 new build to order. Is this what you were looking for?

I'm still waiting for a shipping estimate for the USVI. Should receive it any moment.

Regards,

Alex

Good morning Richard,

Its the dawn of a new year... what better way to start other then to buy a new Black Shiver?!

I hope all is well and that you have enjoyed your New Year's celebrations. I wanted to get in touch with you to confirm that the shipyard has re-opened after the long break for the holidays and if you are interested in coming to test the Black Shiver 140, any day will be good.

Is there any additional question I can help you with about the Novamarine Black Shiver range? Please let me know how I may better assist.

Kindest regards,

Alex

Dear Richard,

Thank you for your call about the Novamarine Black Shiver 140 available for sale. Our company, Aqvaluxe Yachts, acts as international sales office for the Novamarine shipyard, hence all sales are conducted directly on behalf of the yard.

Enclosed to my email are the photos (11 in total) of the latest Black Shiver 140 launched in August 2016. The vessel has been lightly used for demo and boat shows, has very low hours (less than 10hrs) and is not yet registered. It is now the end of the year, and we have decided to offer it for sale. Full 2-years warranties on both boat and engines will be offered to the new owner, which will be registered as the first one. The Retail price is Euro 875,600.00 (ex-VAT). As special end-of-year sales condition, we are offering an exceptional 20% off the retail price down to Euro 700,000.00 (ex-VAT). Construction time for a custom new build, are currently around 4 to 5 months.

The Novamarine shipyard is currently closed for the holidays and re-open its doors on Monday, January 9th, 2017. Hence starting the following week (the time it takes for everyone to catch-up/wake-up after the break) any day will be good for a sea-trail and viewing of the boat.

Please don't hesitate to share your thoughts and let me know when the best time will be, next year, to get together to organise the sea trial and visit the production site. For any additional question, don't hesitate to contact me directly.

Kindest regards,

Alex
