Hi Jeffrey,

Daphne, Una and I are using the glass desks which sat outside your office as a temporary measure. When some of the desks were taken apart (moved so the carpet could be installed) we found mold under some of them and some just fell apart. Anna is taking some of the desk tops and hutches for her use on LSJ.

I am going to show the local vendor, Silk Greenery, your preferred style of couch and see if they can give me some options for you to select from.

With warm regards,
