**Subject:** Corian for countertops

Good Morning Jeffrey,

Attached are two (2) Corian options for the countert=ps.

The sample to the RIGHT is DESIGNER WHITE D=11; which is installed your GIV-SP

The samples to the LEFT is GLACIER WHITE R=1; a touch creamier. I felt it was a softer option to coordinate with the =ther selected materials.

We look forward to your feedback.

Best, Eileen
