I'm available for either to=ay or tomorrow.

If it helps, I will redesign the s=stem. This involves a complete redesign of the switchgear and the addition o= step up transformers. With all of that said, you will be able to to the de=ign as requested and use the generators to back up both islands. Additional=y, I believe you will save some money.

I will, how=ver, send you an addendum for this design because it is quite detailed and a=significant amount of additional work.
