True. I have no excuses. The only thing I can tell you is that I'm trying to do better by learning from my mistakes in order to not repeat them. I've wasted my time by going to parties instead of being serious. Everything was confused in my mind and I didn't really know what path to take, it's very easy to get lost when you are young, specially into fake illusions. Still now, I'm trying to understand myself and who I am. I believe it takes time and it's different from person to person. Now little by little I've started to focus more. I'm starting to understand real life, what are my priorities and things that really matter. Here are some actual facts: I've started to earn some money ( which I've never did before ) which I believe it's already a small accomplishment. I did some babysitting and after 2 paid trial days ( 250 euros per day ) shooting for Vogue and Dior, I've got hired by one of the best fashion photographers called Paolo Roversi to be his assistant ( paid job ). I'm very happy and excited to work and learn from him which is better than any photography school. I'm ready to work as long as I need to in order to build my skills and stand out in that field. I think I've achieved some results and gained some value if I compare myself 2 years ago from now. Thanks to you I had the possibility to make many interesting experiences like Ferragamo in China and Alaïa in Paris. Even though I didn't get hired from them, those experiences allowed me to understand what I like and what I don't like and shaped in part the person I am. Thanks to the Alaïa internship and my passion for photography I am now working with Paolo Roversi doing what I really like. However even though I work hard and I am paid I cannot fully support myself to pay a rent and my living in Paris. I really would like to continue through this path, I feel it's the right one but I need your help, your support and your advices because I cannot make it by myself.

I promise I will use my money wisely without throwing it away into utilities like parties and holidays because I want to grow and build my skills, my career and hopefully my future self.

I truly apologize for my mistakes and behavior in the last 2 years. Please tell me what I should do and  
I'll do it. What results should I bring ? I'll do anything for it. I cannot make it through life without you. You are the only  
person who can guide me, I've got no one else.

I have a last question. What happened about Cartier and school was 2 years ago. I apologized  
many times and you know how sorry I was and I am. You forgave me and we kept talking to each other. Exactly 6  
months ago, In November we saw each other in Paris and everything was normal. Just after, when I started working for  
Alaia you started distancing yourself with no reason, recalling something that happened 2 years ago. My last question  
is: What did I do in November to deserve this ? Is it because I told you I was sad we didn't sleep together the last time I  
saw you ? Because it's since that moment that everything became weird. Please tell me the truth
