[REDACTED],
The rug just needs to be opened and spread out on the floor and the smell w=ll go away.
The "stink" is just a new rug smell which will dissipate over a v=ry short period of time.
Please let me know if this odor persists after the rug is opened for a few =ays.
The rug is freshly woven and needs to be aired out.
Thank you.

Hello Gary!
This is [REDACTED], I bought a carpet from you on 05/19/17 and want t= let you know that it really stinks!

How can I get rid of disgusting smell?
