Yo= sit next to him and you teach him how to drive by turning the steering we=l if he goes off track and pulling the break if you need to (you can'= do that through a phone or by email).

What=you have done after giving the car to the kid is kicking him out after he =roved to fast leaving him alone with no car in the middle of the highway sa=ing "I wish you well" knowing he is going to die hitted by anoth=r car.

End of the story: the kid is obvious=y happy and grateful he received a car as a gift because without it he cou=dn't have drove until where he is now. However he cannot continue the =ourney stranded on a highway.
