I have a last question. What happened about Cartier and school wa= 2 years ago. I apologized many times and you know how sorry I was and I a=. You forgave me and we kept talking to each other. Exactly 6 months=ago,In November we saw each other in Paris and everything was normal. Just=after, when I started working for Alaïa you started distancing yourse=f with no reason, recalling something that happened 2 years ago. My last q=estion is: What did I do in November to deserve this ? Is it because I tol= you I was sad we didn't sleep together the last time I saw you ? Beca=se it's since that moment that everything became weird. Please tell me=the truth

I=have never said that. You are so used in manipulating people that you cons=antly have to twist the sentences your way. What I said is that you don l=t let a child drive alone a car that YOU gave him and let him go faster w=en he doesn't know how to drive just because he is having fun when you=are aware he is going to crash BUT you don't kick him out of the car e=ther. You sit next to him and you teach him how to drive by turning the st=ering weel if he goes off track and pulling the break if you need to (you=can't do that through a phone or by email).

=div>What you have done after giving the car to the kid is kicking him out =fter he drove to fast leaving him alone with no car in the middle of the h=ghway saying "I wish you well" knowing he is going to die hitted=by another car.

End of the story: the kid i= obviously happy and grateful he received a car as a gift because without =t he couldn't have drove until where he is now. However he cannot cont=nue the journey stranded on a highway.
