Subject: Re: BBJ urgent update

Jeffrey
Thank you for your consideration.,

More importantly, I could=t wait to tell you,. I'm am currently flying on a Boeing 737-800 American Airlines. Using gogo wifi.,

The BBJ is a Boeing 737-70=

The BBJ -700 fuselage is 102 ft long,. The aircraft B737-00 I'm currently flying is 122ft in length.,

Then to confirm, I turned my body 90 degrees so My shoulders where facing fore and aft, and I rocked in same manor., without question there is a swaying, Dutch roll anomaly with=B737, it was amazing, I couldn't believe it!

=/div>

I land in Dallas 5pm LSJ time.,

Thx =
Larry
