Ok I understood, thank you for your message. My question was: "If I babysit for a period of time can I work for you afterwards or would you help me find a better job ?" I've asked you if in the future " I babysit for a period of time" you could help me, not now. I know I have a long way to go and I'm trying my best to get better. I wasn't whining in my message, I was just asking a question.

Since no one tells me anything except you without your guidance I would be lost, still be at the same starting point with no incentive to do better and I certainly wouldn't be growing in a good direction. Even though I'm aware you've lost your patience with me a long time ago, I'd like to thank you for this and let you know how grateful I am.

Ps: You told me you are not involved. However, If something ever happens to me I would give your number to call rather than my mother's. So yes to me you are very important.

i told you having a job as REGULAR PAY , every week or every day. or every=two weeks, but regular, I specifically said that modeling , was=NOT A JOB, it was a gamble. The fact that you didn= study , or learn useful skills is your own fault , not mine or anyone else's. . you have lied , stole= , been irresponsible , broken every agreement we had, ♦=AO and then ask if i can recommend you to someone who might hire you.♦=AO !!! . you have a long way to go , if you ever want help from me again.
